

How to identify the CFEC Permit/Serial number on the card:

Finding your CFEC Permit/Serial number online:

Website link: <https://www.cfec.state.ak.us/>

STEP 1

Click on Permit Database (Public)

RENEW OR MANAGE YOUR PERMITS & VESSELS ONLINE!

PLEASE CLICK BUTTON BELOW

[2024 On-Line Renewal](#)

Permits

- ▶ 2024 Forms
- ▶ [Permit Database \(Public\)](#)
- ▶ Permit Database (Secure)
- ▶ Permit Value
- ▶ Demerit Points

Highlights

- ▶ Notice to ALL fish
- ▶ Public Notices &
- ▶ Non-Resident Su

Vessels

- ▶ 2024 Forms
- ▶ DMV Title & Regi
- ▶ Commercial Vess

STEP 2

Search for your permit using the "Permits" tab. The fishery code for Bering Sea Tanner crab is T91Q and you can limit the search by year and your first/last name. Then hit the "Find" button.

State of Alaska myAlaska My Government Resident Business in Alaska Visiting Alaska State Employee

CFEC Public Search Application

This search engine allows you to find Permit, Vessel and Intent records using any combination of valid criteria as set forth below. Results are limited to 3000 records, but yearly downloads and custom lists are available. Click here for a complete description of the CFEC permit card. Please note that information for guided sport vessels is available through ADFG. Clicking the + and - icons to the left of permit & vessel records will toggle expanded details.
